Includes index 1 Dose, use and management of drugs in children; 2 Guidelines for prescribing drugs for children, avoiding medication errors; 3.. The book looks at the commonalities and differences between the UK's national systems and compares this internationally, before it maps out and summarises each nation's key system features.. As early childhood programs and schools become more culturally and linguistically diverse, professionals need to create settings that welcome "new voices" and help all children succeed.. This comprehensive professional development course gives them the in-depth practical guidance they need.. The "New Voices = Nuevas Voces" handbook gives readers thorough coverage of each module, enhanced with learning objectives, case studies, reflection questions, and an assessment scale and observation checklist administrators can use to monitor staff improvement.
